way a film preview of a future in which nothing can be changed. Indeed, the whole point of the vision is to bring freedom onto the scene and to steer freedom in a positive direction. The purpose of the vision is not to show a film of an irrevocably fixed future. Its meaning is exactly the opposite: it is meant to mobilize the forces of change in the right direction. Therefore we must totally discount fatalistic explanations of the “secret”, such as, for example, the claim that the would-be assassin of 13 May 1981 was merely an instrument of the divine plan guided by Providence and could not therefore have acted freely, or other similar ideas in circulation. Rather, the vision speaks of dangers and how we might be saved from them.

. . . . Here it would be appropriate to mention a phrase from the letter which Sister Lucia wrote to the Holy Father on 12 May 1982: “The third part of the ‘secret’ refers to Our Lady’s words: ‘If not, [Russia] will spread her errors throughout the world, causing wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; various nations will be annihilated’”. . . .
